CORPORATE SPONSORSHIP PROGRAM

The corporate Sponsorship Program is designed to embrace the individual business as part of the WINGA team. Our goal is to build communications and rapport between military professionals and the business community. Together we will build a strong partnership among defense contractors and other business who depend upon and support the National Guard activities and training in Wisconsin.

The WINGA Team was formed to promote and represent our citizen Soldiers and Airmen to maintain the Guard as an effective national defense and state emergency asset. The following are a few of the many ways WINGA works to accomplish this mission:

- ★ Work for improved Service Member benefits.
- ★ Support equipment modernization thru legislation at the local and national levels.
- ★ Develop state and federal political contacts.
- ★ Serve as a unified voice for WINGA members and the entire WING.
- ★ Provide conference forums where military, political and industry leaders can discuss state and national issues.
