WINGA / WNGEA Joint Annual Conference Registration Form
Radisson Hotel & Conf Center, Green Bay, WI
26-28 April 2019

"BACK TO OUR FUTURE"

*The 32d Division served with the Army of Occupation until **April of 1919** and returned to home to resume its status as a Wisconsin National Guard Division. However, the history of the Wisconsin National Guard dates back to the militia units of the Blackhawk War, the volunteer regiments of the Civil War, the Governor's Guards of the Spanish American War, and 33d Michigan / 3d Wisconsin Infantry regiments mobilization to the Mexican Border crisis. The citizen Soldiers and Airmen of the Wisconsin National Guard are still using those hard fought lessons to build a capable, ready, resilient operational reserve.*
