

What's New with SSLI **(State Sponsored Life Insurance)**

- The Wisconsin National Guard Association, Inc. is pleased to announce a new group term life insurance benefit available to all Wisconsin Guard members. Effective 1 January 2013 all actively serving Wisconsin Army and Air Guard members, including AGR, Technician and Traditional Guard members automatically receive \$1,000 of group term life insurance at no cost to you. (This benefit is paid for by the group policy holder, The Militia Insurance Trust). When a Guard member retires or separates from the Wisconsin Guard, this \$1,000 of no-cost term life insurance coverage is no longer available. Those individuals wishing to designate a beneficiary can download the application form from a link on our web page.

- Guard members can now apply for increased life insurance coverage for their dependents. Previously a Guard member could receive a maximum of \$60,000 of life insurance on their spouse and \$15,000 on each dependent child. Effective 1 January 2013, this family coverage limit will increase to \$65,000 for your spouse and \$20,000 for your dependent children. Higher levels of coverage will require paying a slightly higher monthly premium.
